

UW StatCom

Statistics in the Community

UW's Pro-Bono Data Analysis Student Group,
serving the Seattle area

Volunteer as a consultant!

- Gain hands-on **applied experience**
- Share your skills with **admirable non-profits**
- Collaborate with **UW grads and undergrads**
- Expand your **consulting portfolio**
- Connect to **local non-academic communities**

Low pressure commitment

You decide when you have time, which projects interest you, and when to wrap up projects.
